

15 DAY SRI LANKA MULTI-CENTRE ITINERARY

# Sights of Ceylon

Sri Lanka's variety reveals itself throughout this journey, offering a clear sense of how much this small island holds. Highland scenery gives way to tea country, then to lowland forests and long stretches of southern coast. Along the route, you will encounter ancient sites, local traditions and some of the island's most notable wildlife on safari.

NEGOMBO ANURADHAPURA KANDY HATTON YALA WELIGAMA
